

Becoming an Agile Leader

“The combination of content-between interesting examples of people who made a difference to the world and well-documented leadership research-makes this book an ideal inspiration and toolkit for anyone who wants to improve and sustain performance of either themselves, employees, teams or organisations.”

– Mogens Raun, SVP, Head of Talent Development, Allianz SE

Learning Agility Development Suite

When was the last time...

...you took on a job, assignment, or project where there were no uncertainties and you knew everything you needed to know to be successful from the outset?

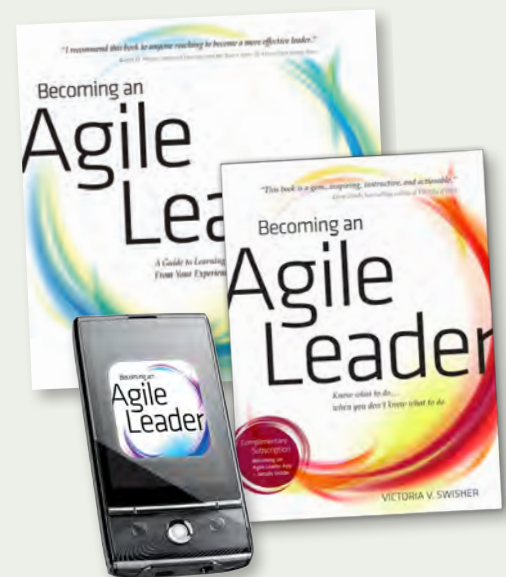

In the increasingly complex world of work and beyond, it's more likely that you will be faced with new situations, assignments or challenges where the unknown will trip you up if you're not prepared.

This is where becoming agile, *learning agile*, can make a difference.

Research demonstrates that Learning Agility is a key asset, both in business leadership and in life. The *Becoming an Agile Leader* product suite includes a Book to help you explore the concept of Learning Agility and it's 5 primary factors, a Guide to help you develop your personal Learning Agility by examining your past experiences and planning for the future, and a Web App to engage you in ongoing self-reflection, a key trait of learning-agile leaders.

5 Factors of Learning Agility

- ▶ Self-Awareness
- ▶ Mental Agility
- ▶ People Agility
- ▶ Change Agility
- ▶ Results Agility

The *Becoming an Agile Leader* Learning Agility development suite is a valuable resource for:

- ▶ Recent participants in the viaEDGE™ Learning Agility self-assessment
- ▶ Business leaders and talent management professionals seeking Learning Agility development tools for their organization
- ▶ Coaches and mentors who are helping others develop their leadership skills
- ▶ Any person looking to grow in order to meet their career goals

The Book

Becoming an Agile Leader: Know what to do... when you don't know what to do

by Victoria V. Swisher

The Book introduces the concept of Learning Agility - a proven success differentiator for leaders - through a series of engaging portraits of well-known leaders in business, politics, science and the arts. An engaging, insightful overview, *Becoming an Agile Leader* offers practical tips to build Learning Agility, advice on avoiding "overuse", and suggested readings for further exploration of the five Learning Agility factors: Self-Awareness, Mental Agility, People Agility, Change Agility, and Results Agility.

Available in both print and digital versions, the *Becoming an Agile Leader* Book is offered in 8 languages including English, Spanish, French, Italian, German, Simplified Chinese, Brazilian Portuguese and Japanese.

Print = \$24.95

Digital = \$12.99

The Guide

Becoming an Agile Leader: A Guide to Learning From Your Experiences

By J. Evelyn Orr

The Guide explores two key pillars of exceptional leadership: having the right experiences and harness the power of those experiences to enhance Learning Agility. Highlighting the same leaders profiled in the Book, the guide explores the key life experiences and lessons learned to illustrate how each came to exemplify their factor of Learning Agility, then presents a series of exercises and questions guide your reflection on key events in your own life.

The Guide is offered in both print and digital versions (English only).

Print = \$29.95

Digital = \$14.99

The Web App

Becoming an Agile Leader: Online Reflections Application

by Erica Lutrick, Ph. D.

The *Becoming an Agile Leader* web app offers instant accessibility from any Internet-enabled device to help individuals develop their Learning Agility in the following ways:

- ▶ Build Self-Awareness by instantly capturing your reflections, then tagging for future reference
- ▶ Access the more than 365 Learning Agility thought-starters for a guided experience in a targeted Learning Agility Factor, such as the Self-Awareness, Mental Agility, People Agility, Change Agility, or Results Agility
- ▶ Identify key themes within your reflections to create new insights

The online reflections app is offered in English and available exclusively as a complimentary subscription with the purchase of the Book or eBook.
